## PRAYER & PRAISE POINTS

- \* Pray for John and Dot Wynd. That God would be surrounding them and the family with peace and comfort and this difficult time and it would be time for Dot to talk to her kids once again about the hope she and John have in Jesus Christ
- \* Pray for Playgroup, for Jess and all the volunteers that they would lean on Christ for their strength and joy, and that God would give them boldness and opportunities to share the gospel with families that come along
- \* Praise God for the gift of His Son Jesus Christ, that because of his life, death, and resurrection we can approach the throne of grace in boldness
- \* Praise for God for His Word and its sufficiency, That when all else in the world is chaotic and turbulent, His Word is always true and constant and we can trust it because our God is a faithful God

## A Call To Faith

Have you ever watched an airplane take off. First the engine is started and the pilot makes his cockpit checks, makes sure all is in order. Next he pulls the plane onto the runway, and applies the power. The plane rolls down the runway gains speed and then takes off and is airborne and turns toward its destination. It will arrive safely and reach its destination with power continually applied. If power begins to weaken the plane begins to stall and is in serious trouble

God assures the believer that they will arrive safely in heaven if they totally trust the Lord. Paul said, *"Therefore we are always confident, knowing that, whilst we are at home in the body, we are absent from the Lord"* (2 Corinthians 5:6). However, on the way to the Lord and our final destination you will experience storms of difficulty. It would be wonderful if we did not have to endure trials, suffering and problems in life. I am sure we all strongly desire not to have to deal with circumstances that drag us down and cause us such stress and often worst. The answer God gives is not to promise we will not have to face these things, but to give us the strength to overcome these depressing and troublesome effects in our life. But God says even in the midst of trouble, be at peace and trust in the Lord. Therefore a Christian's life must also be lived with God's power continually applied. Of course the power I speak of is the power of the Holy Spirit in one's life. One gets in serious trouble if he stalls and loses power.

All believers, in varying degrees, find times in our Christian lives when we lose the power of God in our lives. Sometimes the power is lost through our disobedience to the Lord or at other times when we forget the Lord and go on our own.

The Bible says the fuel of the Christian life is faith. For the Christian it is never a matter of having an empty tank because we have the power of God in our lives. The problem is that we pull back on the controls and power by not trusting in the Lord and we begin to stall...and to waver in our faith. Hebrews 10, is the Call To Faith and continuous power.

God Bless, David Eden

### ALPHA COURSE

We are starting our Alpha course on Sunday the 13<sup>th</sup> August.

### SUNDAY SCHOOL UPDATE

As I am sure you are all aware, we have changed our curriculum for Sunday School this term (as we often do every year or two depending on the curriculum). The current curriculum is called The Biggest Story ([www.thebiggeststory.com](http://www.thebiggeststory.com)) and thought I would share this resource with those who are interested. If you would like access to their free videos for your own family, for your grandkids (or perhaps even for your own enjoyment, as I know how much us adults enjoy them as well), just go onto the website as written above and create a free account. You can access the videos for free and they also give you colouring pages and activity sheets. They also have a Bible that you can buy online or at Koorong, with the same illustrations as the ones in the videos. I have been enjoying the content of this curriculum very much and I trust the whole church family has been as well.

### ACCOMMODATION NEEDED
