"Called to Serve"
(Philippians 2:1-9)

Thought for the Week

ESSENCE OF CHRISTIAN SERVICE

Dorcas, also known as Tabitha, was a devoted New Testament follower of Christ who lived in Joppa. She was known for her acts of service and charity towards the poor.

One notable example is when she made clothes for widows and those in need in her community. Dorcas demonstrated Christ's love through her tangible acts of kindness, showing that faith without works is dead.

Her impact was so significant that when she fell ill and passed away, the believers in Joppa were devastated. They sent for Peter to come from Lydda to pray for her resurrection.

Through God's power, Peter raised Dorcas from death, showcasing the power of faith coupled with service.

Dorcas's life serves as an inspiration for all Christians to actively seek opportunities to serve others and make a difference in their communities.

We are called to serve God and to serve those around us. This not only entails physical acts of kindness but the spiritual blessings of sharing the good news, praying for people and encouraging them in their time of need.

Ultimately, the essence of Christian service lies in sacrificial love – following Christ's example of giving up one's time, effort and sometimes money for others, without expecting anything in return.

May we honour God in the way we serve others.

Blessings,
Greg Blunden

Prayer Points

- Pray for the Beaumonts, for their physical and emotional healing after their return from PNG. Pray also for Robin Isei as he is now seriously ill after an amputated leg
- Continue to pray our pastoral search committee, as we seek out the right man to lead God's church here.
- Praise God for all the ministry opportunities we have here in this church. Pray that as they are on break over the coming weeks that the leaders and volunteers would enjoy a much needed break, to rest and recover ready for term 4
- Continue to pray for those who have ongoing health issues. In particular, please be praying for Inga who has had another fall and is back in hospital
