Thought for the Week

LET US NOT BE IGNORANT OF THE BIBLE
(J.C. Ryle commenting on Mark 12:24)

These are Jesus' first words of comment to the Sadducees. How relevant in our day, when people are no longer Biblically literate. How we need to KNOW God's Word and KNOW God and His amazing power! Knowing Scripture and knowing God are the best preventative medicine for doctrinal error.

The truth of the principle here laid down, is proved by facts in almost every age of church history. The reformation in Josiah's day was closely connected with the discovery of the book of the law. The false doctrines of the Jews in our Lord's time were the result of neglecting the Scriptures. The dark ages of Christendom were times when the Bible was kept back from the people. The Protestant Reformation was mainly effected by translating and circulating the Bible. The churches which are most flourishing at this day, are churches which honor the Bible. The nations which enjoy most moral light, are nations in which the Bible is most known. The parishes in our land where there is most true religion, are those in which the Bible is most studied. The godliest families are Bible-reading families. The holiest men and women are Bible-reading people. These are simple facts which cannot be denied.

Let these things sink deeply into our hearts, and bear fruit in our lives. Let us not be ignorant of the Bible, lest we fall into some deadly error. Let us rather read it diligently, and make it our rule of faith and practice. Let us labor to spread the Bible over the world. The more the book is known, the better the world will be. Not least, let us teach our children to value the Bible. The very best portion we can give them, is a knowledge of the Scriptures.

MISSION MATTERS

Thank you to those in our church family who have been collecting used stamps. Australian stamps are highly sort after by overseas collectors and are a valuable asset for raising funds for mission work. A kilogram of used stamps can raise up to \$40. Last quarter Queensland Baptists were able to give \$12,000 from the sale of used stamps to Baptist Mission Australia. Please put your stamps into the bag on the mission notice board or talk to Brian Scales.
